

An illustration of Noah's Ark as a large wooden ship with a massive white sail, navigating through dark, stormy seas with heavy rain falling diagonally across the scene. Several figures are visible on the deck of the ship.

KATOOMBA EASTER CONVENTION

FEAR NOT!

— The Lord is Near —

Katoomba Easter Convention is an annual event for the whole family to retreat to the Blue Mountains, sit under God's Word and grow in your faith together.

Enjoy mornings being refreshed with Bible talks, Christian testimonies and worship. Spend afternoons relaxing with friends and family before settling in for more in the evening sessions together. Bring friends, family, children and grandchildren – there's something for every member of the family!
